92 A.T.H.S. Students In Band and Chorus Going on 3-Day Tour

Leave in 3 Busses Today to
Give Five Concerts,
3 in Michigan

Traveling by bus, 92 Antioch Township High School students comprising the school band and chorus, left at 7 a. m. today on a three-day trip that will carry them to Eastern Michigan in giving concerts.

The program will be much the same as that presented to an Antioch audience last Friday night at the school. The large crowd gave its stamp of approval, declaring it one of the finest programs ever given by the school.

The band was under the direction of Louis Chenette, and the varsity chorus and the girls' glee club under the direction of Ken Smouse. Don Chiappetta served as dramatic consultant in the presentation of the special numbers and selection from "Kiss Me Kate."

The three big Greyhound busses this morning first took the musicians to Wauconda where a program was given before the student body in assembly. The next stop was at Westville, Ind., where they will appear at the Beatty Memorial hospital this evening in a full concert. The night will be spent in South Bend, Ind.

A concert at 8:30 a. m. Friday at the Edwardsburg High school in Edwardsburg, Mich., will be the next appearance, and at 1 p. m. a concert will be given at the Bronson, Mich., high school.

The night and the next morning will be spent in Detroit. The students will spend the morning at the Greenfield Village, the Ford Museum, and the Edison Institute.

At 8 p. m., the band and chorus will give their final program at the Ypsilanti, Mich., hospital and the night will be spent in Ypsilanti.

Sunday will mark a leisurely trip home, a stop being made for church.

Serving as chaperones on the trip will be the directors, Mr. Smouse and Mr. Chenette, Mrs. Kenneth Young, and Mrs. Sigurd Nielsen.

Miss Marie Anderson, Wartime Army Nurse, Buried Here Today

Miss Marie Anderson, 65, 903 East Kilbourn Avenue, Milwaukee, Wis., died Sunday, March 16, at 7:45 p. m. at the Woods Veterans Administration hospital, following two weeks of illness.

She was born Sept. 11, 1892 in Denmark, coming to America at the age of three months, settling in Antioch with her parents in 1911.

Miss Anderson graduated from a Kenosha hospital nursing school, served in the army nurses corps during World War I. She was a member of Jane Delano Post of American Legion; served 25 years as nurse with a visiting nurse association in Milwaukee.

Later she was employed with Louis Allis Company as an industrial nurse, retiring one year ago.

Survivors are three brothers, William P. Detroit, Mich.; Andrew M., Chicago; Carl of Antioch; five sisters, Mrs. Katherine Volkman, Hebron; Mrs. Martha Juhl, Grayslake; Mrs. Elizabeth Felton, Milwaukee; and Mrs. Dorothy Nickoley, Waukegan, and Mrs. Laura Dentner, of Antioch.

Funeral services were held today (Thursday) at the Strang Funeral home. The Rev. Harold Lutheran, pastor of the Richmond Lutheran church officiated. Interment was in Hillside cemetery.

Lake Catherine Man Dies of Heart Attack

Emil Schauner, 76, Catherine ave., Ashwood Glen subdivision, Lake Catherine, died Monday night at Victory Memorial hospital, Waukegan, five minutes after he was taken there by the Antioch Rescue squad. He was a victim of a heart attack.

The body was taken yesterday from the Strang chapel to 3800 Elston ave., Chicago for services.

Mr. Schauner has resided in this community since last September, coming here from Chicago. He is survived by a step-son, George, and a daughter, Joan McGuire, both of Chicago.

Offered School Secretaryship
Arlene Steffen has been offered the position as school secretary at Salem Central High school to succeed Pauline Wermeling whose resignation will become effective June 30.

Barnstable-Brogan Plan Grand Opening For Saturday, Mar. 22

Barnstable and Brogan will hold a grand opening Saturday in their new location at 945 Main st.

Twenty firms from whom the Antioch firm buys have joined in providing prizes which will be given out as awards to people who visit the store. There will be gifts for men, women and children.

Formerly situated on the west side of Main street, the store selling men's, women's and children's clothing and materials, is now in a much larger room where the National Food Store formerly was located.

Four Hurt in Accident On Rte. 21 Last Fri.

Four persons were injured at 7:16 p. m. Friday on Rte. 21 a half mile north of Beach Grove road in a crash of automobiles.

The injured were Michael Himens, 65, of Rte. 21, who suffered shock; Gerald Risch, 18, R. F. D. 1, Antioch, cuts about the head and face; Diane Graczyk, Petite Lake, injury to left arm; and Barbara Flaider, 15, Petite Lake, sprained ankle.

Sheriff's deputies said Himens made a left turn into his driveway and the rear of his car was struck by the car driven by Risch who was going north in the same direction.

The Risch machine traveled about 100 feet further and struck a pole. Police charged the youth with reckless driving.

Risch was bringing the girls to the Musical at the Antioch Township High school in which they were to have participated. They were able to be in school yesterday, but were unable to make the trip with the chorus today because of Risch's court hearing Friday night when they will serve as witnesses.

First aid to the injured was given Friday by the Antioch Rescue squad.

Wilmot at Salem in Central's First Meet

Bob Price, track coach at Salem Central High School, plans to build his track team around two lettermen, David Pohl, who runs the 440 and hurdles, and John Lichter who hurries the shot and the discus.

Good prospects for the team this year are James Cameron, a dash man and high jumper; Bernard Johnson, pole vaulter, and Bill Lewis and James Long in the dashes.

The 1958 track schedule is as follows:

April 9—Wilmot at Salem, 2:30.

April 16—Waterford at Salem, 2:30 p. m.

April 23—Racine County Aggies at Salem, 2:30 p. m.

April 28—Whitewater Relays at Whitewater, 12:30 p. m.

April 30—Union Grove at Salem, 3 p. m.

May 14—St. Catherine's at Salem, 2:30 p. m.

May 16—Braveland Conference Meet at Fort Washington, 5 p. m.

May 21—Racine Lutheran at Salem, 2:30 p. m.

May 24—State Sectional Meet (Will be assigned.)

May 31—State Meet at Madison.

Antioch Lions, Wives Attend Convention at Chevy Chase Club

The Antioch Lions club was represented at the District convention Sunday at the Chevy Chase Country club near Half Day by Mr. and Mrs. A. L. Dittman, Mr. and Mrs. John Russo, Mr. and Mrs. Robert Jensen, Mr. and Mrs. Everett Oftedal, and Mr. and Mrs. Preston Reckers, Jr.

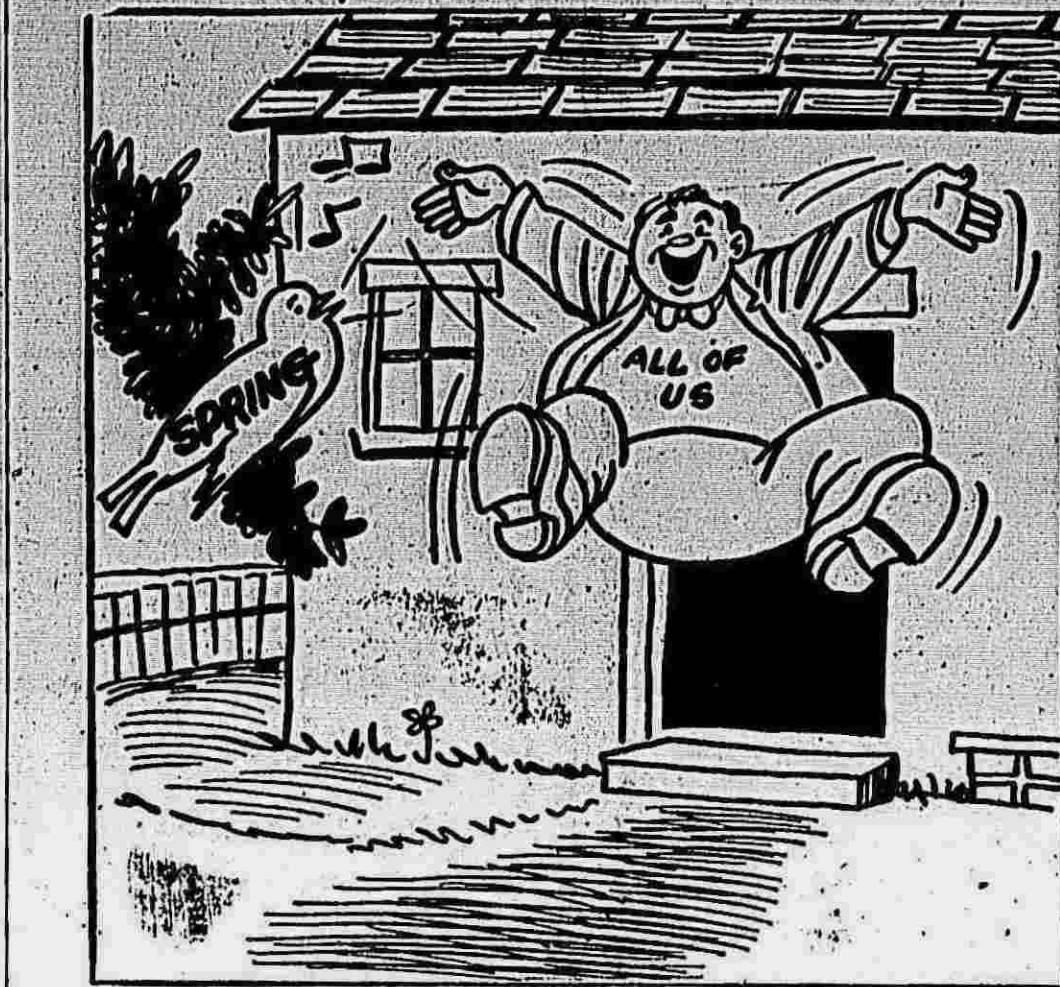

While the men attended a business meeting the women enjoyed bingo and a style show of spring fashions presented by Heiss.

Included in the reports on ways to raise money for a club was one given by President Dittman of the Antioch club on the success of the swimming pool benefit dance.

Dinner was followed by entertainment furnished by a trio from Great Lakes. International Director Joseph E. Childers of Texas was the main speaker. He was presented by Dist. 1-F Gov. Lloyd Burns.

The district endorsed Robert Graham of Evanston as Burns' successor.

Five Antioch Women In Top Ten of Local Ladies Handicap Meet

Five Antioch women bowlers finished in the top-ten prize winners in the Antioch Recreation's Ladies' Handicap Singles Sunday.

Adelle Sorwell with a 171 average and a 38 handicap was second high in the field and highest among the five, and probably will take home \$100 in prize money.

Lillian Griffin, Libertyville, with a 155 average and a 70 handicap won the top \$200 prize. In third place was Mary Jane O'Donnell of Waukegan, whose winning was \$80 on her 170 average and 40 handicap.

In fourth place for \$35 was Betty Riehe of Arlington Heights, and in fifth place \$28, Kaye Keulman, Antioch, whose average was 157 and handicap 66.

Next in order were Florence Keefe, Antioch (Salem), average 115, and handicap 150, winning \$20; June Dressel, Antioch, 127-126, \$15; Helen Mount, Antioch (R.L.), 147-86, \$12; Joyce Selof, Arlington Heights, 181-58, \$11; and Helene Sarockas, Chicago, and Lillian Hrdlicka, Cicero, tied for 10th and \$10.

Of the 52 prize winners a total of 15 were from the Antioch area.

The high actual game, the first two places excepted, were bowled by Betty Grenard, Chicago, 225, the first week and Betty Riehe, 224, Arlington Heights, the second week. Both won \$10.

The high actual series, first two places excepted, were won by Olga Gloor, Chicago, 565, first week, and Carol Fritz, Waukegan, 568, second week. Both received \$10.

There were 302 entries, which at \$2.50 each made a prize fund of \$755.

No Mail Delivery If Address Faulty

If that letter you are expecting doesn't arrive don't blame the post office.

It may be the neglect of the sender.

Following a year's leniency, the Postal Department has instructed the Antioch post office to crack down on those who post letters with insufficient address.

Postmaster Roy Kufalk said he had been instructed to return insufficiently addressed mail to the sender with notation of the fault. Too much time is wasted by clerks in hunting addresses inspectors say.

Many writers get the impression that Antioch is a small community in which the person to whom the letter is addressed is well known and should readily get the letter. That impression is erroneous.

Local residents must notify their correspondents of their street address if they want to insure delivery.

School of Instruction

A school of instruction for those Antioch judges who will serve on the board at the polls during the primary will be held at 8 p. m. tomorrow (Friday) at Emmons school, Mrs. Helen Burke, committeeman announced. County Clerk Garfield Leaf will instruct the judges on their duties. New judges in Lake Villa and other townships may attend if they desire.

Give Driver Training

Antioch Township High school is among 19 Lake county high schools now giving driver training. The others are Grayslake, Libertyville, Fremont, North Chicago, Round Lake, Wauconda, Waukegan, Zion-Benton, Grant, and Warren. A total of 358 high schools throughout Illinois give the training.

Large Crowd Viewed Girl Scout Exhibits

A large crowd viewed the booths and exhibits of the Girl Scouts in the Lakeside Council displayed Saturday at Antioch Township high school.

Between 50 and 75 booths prepared by 300 intermediate Girl Scouts and 200 Brownies showed various projects of study.

The senior Girl Scouts worked in lunch booths and served as baby sitters. In attendance at the exhibit were Mrs. A. H. Kaufmann, organizer of the Lakeside Council 10 years ago and the only one of the organizers still active in the work, and Mrs. Eugene Erickson of Round Lake, president of the Lakeside Council.

Chanteymen Entertain Antioch Grade P.T.A.

The Chanteymen of Great Lakes Naval Training Center provided the program for the Antioch Grade School Parent-Teacher Assn. Monday evening.

The program was narrated by Chief Petty Officer Kenneth M. Long, who explained that early ships had head chanteymen who led the men in song as they set the pace for work. He said that most of the sailors are only in the chorus nine weeks, and some of them who performed Monday evening had only been members one or two weeks. The 20 singers were directed by David Lance.

The P.T.A. named a nominating committee comprising Joseph Hellstern, chairman; Mrs. Charles Miller, Mrs. Albert Dittman, and Miss Loretta Kuligowski.

Mrs. Fred Yates' fourth grade won the first prize in parent attendance and Mrs. Kenneth Liddle's fourth grade won second prize.

Burglars Loot Home Of Mrs. H. B. Gaston, Get Clothing, Jewelry

Thieves who evidently were leaving for a warmer climate burglarized the home of Mrs. H. B. Gaston, 654 N. Main street Wednesday night of last week, taking an estimated \$1,000 worth of clothing and jewelry.

Summer clothing was taken and winter clothing with the exception of a fur stole was tossed aside. The lot included a wrist watch, an heirloom bracelet more than 100 years old, an opal ring, a Masonic ring set with diamonds, a diamond ring, traveler's clock and other articles. A fur coat was not molested.

Mrs. Gaston had occasion to spend the night with her daughter, Mrs. H. E. Shepard and did not discover the burglary until her return home Thursday evening.

The thieves broke the lock in the rear door in getting into the house. Only the dining room and living room of the whole house escaped ransacking and clothing was taken from drawers and scattered everywhere. Doors were left ajar, and while the front door was open, the thieves evidently left by the rear door because a jewel case taken from a drawer upstairs was dropped on the floor there after being emptied.

Through the choice of clothing there was evidence that a woman was present.

Antioch police sought finger prints from articles the burglars had handled.

Antioch Masons Invited To Libertyville Party

Antioch Masons, their families and friends have been invited to join 12 lodges of the 32nd district in a "Masonic Night" celebration Saturday at the Brainerd High school in Libertyville.

Featured entertainment will be the Scottish Rite Cathedral chorus with other professional acts from the theatre, television and radio.

The doors will open at 7 p. m. and the performance will start at 8 p. m. The Brainerd school is the older of the two high school buildings.

Albert T. Barnstable Retired Store Clerk, Buried Last Saturday

Albert J. Barnstable, 79, of 1013 Bishop street, died Thursday, March 13 at Victory Memorial hospital, Waukegan, following a lingering illness. He was employed as a clerk for 21 years at Williams Department Store, retiring several years ago.

Mr. Barnstable was born March 19, 1878 in Antioch township, moving to Chetek, Wis., where he lived for several years before moving to Antioch 33 years ago.

He was preceded in death by his parents, Thomas and Ann (Darby) Barnstable, also two brothers, Joseph and William and five sisters, Liza Cubbon, Sophia Gray, Emma Williams, Alice Bock and Lucy Bettridge.

Surviving are his widow Grace (Kreutzer) Barnstable; two sons, Russell E. of Antioch and Dale A. of Louisville, Ky., and a daughter, Mrs. Arlene Strauss, Belvidere; a brother, James J. of Chetek, and seven grandchildren.

Funeral services were held at 3 o'clock Saturday at the Strang Funeral home. The Rev. Edmond Hood of St. Ignatius' Episcopal church officiated. Interment was in Hillside cemetery.

Begins Ministry in Antioch

The Rev. Wallace Anderson began his official duties Sunday as minister of the Antioch Methodist Church. He and his wife, Luella and two sons, Bernard and John, moved to Antioch on Tuesday, March 11.

Before coming to Antioch, Mr. Anderson was the pastor of the Forest Park Methodist church in Forest Park. It was during his pastorate in Forest Park that Mr. Anderson completed his seminary education. He received his bachelor of divinity degree from Garrett School of Theology in Evanston, in June of 1955.

While serving as pastor of the Forest Park Methodist church, Mr. Anderson was also active in community affairs. He was a member of the Board of Directors of the Forest Park Community Chest. He was a co-chairman of the Community Chest Drive in 1956, and he also served as acting president of the board before coming to Antioch.

Other organizations that Mr. Anderson worked with are as follows: A member of the Forest Park Citizens Committee for Better Schools, a member of the board of directors of the Family Service Association of Proviso Township, troop committeeman for Boy Scout Troop No. 108 in the Thatcher Woods Area Council, and a member of the P.T.A. in Forest Park.

Mr. Anderson and his family are now residing in the parsonage at 586 Parkway in Antioch.

Conduct Scout Courses

James Horton of Antioch is a member of a training committee that is conducting a seven week course for cub and boy scout leaders at Avon school on Rte. 21 at 8 p. m. each Tuesday. The course started March 13.

Was Student at Marquette University Training for Civil Engineering

Funeral services were held at 11 a. m. yesterday at St. Peter's Catholic church for Dennis D. Kennedy, 23, Marquette University student, who was killed Saturday afternoon in an airplane crash at Elkhart, Ind.

A large number of young people, former schoolmates and friends, who termed him a fine young man attended the services and followed

the cortege to Mt. Carmel cemetery where the remains rest.

Kennedy, son of Mr. and Mrs. G. Dudley Kennedy, of 549 Lake street, was one of four killed when the airplane en route from Waukegan, Wis., to East Orange, N. J., crashed in a snow storm six miles east of Elkhart and burned.

The four-seated airplane, rented from Dale Crites of the Waukegan Flying Service, was piloted by James Greiner, 23, Milwaukee, a 1957 graduate of Marquette University. Other passengers besides Kennedy were Ronald Shockley, 18, son of Mr. and Mrs. Clement V. Shockley of Western Springs, and Miss Charlotte Doctor of Hales Corner, Wis., an employee in the office of the dean of women at Marquette University.

The four were on their way east to visit friends.

Calvin Behler, nephew of Mrs. Margaret Gaston of Antioch, was a room mate of young Kennedy. The two and two others, occupied an apartment in Milwaukee. Behler, who attended the funeral, said he was invited to go along on the trip but decided at the last minute not to go.

Dennis Dudley Kennedy was born November 18, 1934 in Chicago, but made his home in Antioch all his life. He was a junior at Marquette University where he was studying to be a civil engineer.

He had two years of service in the U. S. Army.

The young man was a member of St. Peter's church and the Holy Name Society. He was a member of the Veterans Brigade in Milwaukee.

At Antioch Township High school he was a member of the All-Conference football team in his senior year.

Surviving are the parents, and a sister, Patricia. A sister, Kathleen, preceded him in death April 18, 1952. Also surviving is the maternal grandmother, Mrs. Barbara Feht.

John Frank, Formerly Of Wilmot Celebrates Anniversary No. 98

John Frank, for 76 years a resident of Wilmot, Wis., recently celebrated his 93rd birthday anniversary at Brookside hospital, Kenosha, where he has been an ambulant patient since last November.

A native of Germany, Mr. Frank was born March 13, 1860. He spent his early life in Germany, coming to the Wilmot area at the age of 21. He engaged in farming. During his career at Wilmot he gained popularity as a dance player, using the accordion. He still is able to play the instrument and entertain patients at Brookside.

He retired from farming and moved into Wilmot in 1918 and served as caretaker for a cemetery.

More recently he took up residence west of Kenosha on Rte. 43. He uses glasses for reading only and occasionally takes walks off the Brookside grounds.

He has five children, 10 grandchildren, and 19 great grandchildren.

Paying the Freight

Sooner or later, this country is going to have to do something drastic about non-essential government spending. And—in the light of growing military and other national security demands—it had better be sooner.

Naturally enough, there is a wide diversity of opinion as to what is and is not essential. It's a case of one man's meat being another man's poison. But there is at least one important field in which there should be little controversy—that is in the field of government activities which are of a commercial business character, which are competitive with tax-paying commercial business, and which would be taken over by tax-paying commercial business if the government called it quits.

Many examples could be cited. One is of particular interest, due to the prospect of higher postal rates. This is fourth-class mail—the parcel post category. It competes directly with both national and local private parcel and freight handlers. If it didn't exist, these handlers would do whatever job is needed. It has long operated at a loss to the post-office department—which simply means that it is subsidized by all the taxpayers, whether they ever use it or not. It pays no taxes. Therefore, in addition to feeding on the U. S. Treasury, it eliminates revenue the Treasury would otherwise receive.

A powerful case can be made for the proposition that government should not engage in any activity of a commercial business type. Short of that, there can be no logical excuse for the failure of government business operation to pay the freight. And parcel post isn't doing it.

Holders of the Key

Will the current decline in business continue? Or will it level off? Or will a new upward surge set in?

To a very great extent, the answers to these and other such questions will be found in the state of retail trade during the months ahead.

This, in effect, was what Professor Malcolm T. McNair, the distinguished Harvard University authority on retailing, told the recent convention of the National Retail Merchants Association. In his words: "The consumer holds the key not only to the fortunes of retail business in 1958, but in a larger sense to the fortunes of the total economy."

This view has become a generally held one. The heavy stress used to be laid upon production figures. But consumption figures are equally important, and some think they are more important. It's obvious that production in any line can't hold up long unless people buy the goods. So the volume of retail trade directly determines what goes on in the factories.

Retailers know that competition will be tough this year. They know that consumers are doing more shopping around and more planning before buying. Every merchant will do all he can to offer the most

attractive inducements and the best buys possible. And, it is good to report, most retail spokesmen seem reasonably optimistic about the sales prospects.

Are You Fit to Drive?

You may have a good driving safety record and feel you are in excellent health. Even so, there are circumstances under which you're not fit to drive.

That finding comes from the American Medical Association, and is elaborated in a new pamphlet. Here are some of the things that make a driver dangerous.

Emotional upsets. If you can't keep your mind on the wheel and off your worries, you shouldn't be behind the wheel.

Driver's attitude. Some drivers feel the other fellow is always wrong; some are aggressive and intolerant. They need to grow up—to become mature.

Sleepiness. Dozing is not restricted to night driving. On long trips the driver should rest every two hours and drink coffee or cola to stay alert.

Medicines. Some medicines, including sedatives, tranquilizers, cold tablets, etc., may dull reflexes or impair co-ordination. Stimulants may make a person nervous. Consult your doctor about the side effect of drugs.

Other hazards listed in the AMA pamphlet include faulty vision, certain nerve and heart disorders, diabetes, old age—and, of course, drinking. All of these conditions can result in special hazards—all require preventive measures. It's a case where knowing ourselves and acting accordingly could produce a heartening drop in highway carnage.

Dark Spots in the Railroad Picture

A long parade of authoritative witnesses appeared before the Senate's Surface Transportation Subcommittee to discuss what is termed "the deteriorating railroad situation." The decline in railroad traffic and earnings has reached emergency proportions.

The witnesses made many proposals designed to help get the railroads back on their financial feet, and to enable them to keep on giving this country the kind and quality of service it urgently needs. And the biggest trouble of all, it was pointed out time and again, is that the railroads are given "unequal treatment in the competitive race for traffic."

There are three major examples of this. First, the railroads' chief competitors—commercial truckers, airlines and users of inland waterways—are all publicly subsidized, directly or indirectly. The railroads alone must pay all the costs of their operations.

Second, there are severe restrictions on the railroads' right to diversify. In other words, they are prevented from going into other fields of transportation, even though they could do this profitably and provide a needed and desired public service.

Third, there are strict artificial limitations on the railroad's freedom to exploit their inherent advantages. For instance, railroads can't reduce rates to meet competition and attract business if, in the view of the regulatory authorities, this would have a deleterious effect on other carriers. That's very much like holding that a store can't cut a price because the result would be to take trade from another store.

These and other prohibitions, it should be noted, stem from the day when the railroads had a monopoly of big-scale commercial transportation—a day that has gone forever. All the industry asks—and all that the public interest demands—is that laws and policies reflect the conditions of today, not yesterday.

"If at first you don't succeed, that makes you just about average."—Warren Hull.

A reformer is someone who insists on his conscience being your guide.

Worry often gives a small thing a big shadow.

Lewis Mumford, an expert on city planning, has this to say: "Either the motor car will drive us out of our cities, or the cities will have to drive out the motor car—not by absolute prohibition, of course, but by restrictions of size and access, favoring small cars... and penalizing such monstrosities as those fantastic and insolent char-lots with which American motor car manufacturers now burden our streets and parking lots."

CLEANING AROUND TV

When you ladies clean around the television set, don't move the set very far in any direction. If you do, you'll tear off the antenna connections behind the chassis.

We get calls at ECONOMY TV on the 173 1/2 miles west of Antioch for this trouble quite regularly, but there is a remedy for it.

We have been installing adapters which cost twenty-five cents. If you wish to temporarily move the set, it's as simple as unplugging the electric cord. For your next TV service call, phone ANTIOCH 1454, and we can quickly put this gadget on your antenna connection.

President of Garrett To Speak Sunday at First Methodist Church

Dr. Dwight E. Loder, president of Garrett Theological Seminary, Evanston, will preach at both services of the Antioch Methodist Church Sunday.

Dr. Loder came to Garrett in 1955, receiving the degree of Doctor of Divinity from the institution then. The same degree was conferred by Hamline University of St. Paul in 1957.

He is a native of Waverly, Nebr., receiving his bachelor of arts degree from the University of Nebraska. He studied one year with honors at the Nebraska College of Law, but after that turned to the ministry and obtained the degree of bachelor of sacred theology from the Boston University School of Theology.

The Lenten services at the Methodist Church will continue on Tuesday with a pot-luck supper at 6:30 p. m. following which Dr. Samuel Laeuchli, Garrett Theological Institute professor, will speak. His topic will be "The Communion of Those Who Follow." A nursery will be provided during the program.

New Baptist Pastor

The Rev. James A. Watt

The Rev. James A. Watt is the new pastor of the Baptist Bible Church of Round Lake (Cedar Lake road at Highland Terrace.) He preached his first sermon there, March 2.

Previously Mr. Watt and his family served at the Kostner Avenue Baptist Church of Chicago.

Mr. Watt was born in Arkansas of Canadian parents, received his 'Arts' degree from the University of Saskatchewan, and his 'Divinity' degree from Northern Baptist Theological Seminary of Chicago.

Mrs. Watt was born in British Columbia, and their three children are from Chicago.

Three new members were received into the church the first Sunday. It is hoped that before too long the new church will be built, and ministering more effectively than ever to the Round Lake community.

The church cordially invites you to hear the new minister, and to worship with them.

Complete Combat Training

Camp Pendleton, Calif. (FHTNC)—Marines Pvt. Albert R. Reckers, son of Mr. and Mrs. P. J. Reckers of Route 3, Antioch, and Pvt. Roger T. Wolf, son of Mrs. Mae Wolf of Loon Lake, Antioch, completed four weeks of individual combat training Mar. 7 at the Marine Corps Base, Camp Pendleton, Calif.

The course included the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons.

Trainees learn that all Marines are basically infantrymen, whether they serve as cooks, typists, truck drivers, or aviation units.

Wins Prize for Suggesting Feature Topic

Terry Blank, son of Mr. and Mrs. Edwin Blank of Deep Lake shows Miss Barbara Best, his science teacher, his contribution which was accepted by an Associated Press syndicate column "Junior Editors Quiz" in the Waukegan News-Sun. He received \$10 for asking "Does the Hippopotamus Really Sweat Blood?" The youth is a freshman at Antioch High School.

Engagement Announced

Mr. and Mrs. Edwin Kanla of Antioch announce the engagement of their daughter, Constance, to Mr. Kenneth Schultz, son of Mr. and Mrs. Howard G. Strang of Chicago. No wedding date has been set. Miss Kanla is a graduate of South Brooklyne High school, Hollywood, Fla., and is employed with the Illinois Bell Telephone company at Libertyville. Mr. Schultz is a graduate of Loyola High school, Chicago, and is employed by the National Tea Company.

State Mother Candidate

Mrs. Elizabeth Behler, 322 Lake ave., Woodstock, sister of Mrs. H. B. Gaston of Antioch, has been nominated by the V.F.W. Auxiliary of Woodstock as a candidate for the "State Mother of the Year" award. Candidates are from women's organizations throughout the state.

Mrs. Behler, who is a Gold Star mother, has four sons, Robert, commander of the Woodstock V.F.W. post; Bud, of Woodstock; Calvin of Milwaukee; and Glen, who is stationed with the U. S. Air Force in England. All sons, except Glen, saw action in World War II, and Glen was too young. He plans to make the air force service a career. His son is Mrs. Behler's only grandchild. A fifth son, George, was killed in World War II.

Mrs. Behler is a member of the Baptist church and sings in the choir. She is active in the Eastern Star lodge, the Rebekah lodge and the American Legion Auxiliary.

Woman's Club Hears Finalist Tell of Her Mrs. America Contest

Illustrating her talk with colored slides, Mrs. Lawrence Rouse, wife of the principal of the Grayslake Community High School, told of her experiences at Daytona Beach, Fla., as finalist in the Mrs. America contest last year, to about 50 members of the Antioch Woman's club Monday afternoon at the Scout House.

Mrs. Carroll Usher, wife of the pastor of the Salem, Wis., Methodist church, sang several Irish songs in keeping with St. Patrick's Day, and were much enjoyed.

Rep. W. J. Murphy, Petite Lake, spoke on current state legislation. Mrs. Howard Gaston and Mrs. Louis Blehl and their committee served refreshments.

The club will go on its annual tour April 7, leaving the Scout House at 8:45 a. m. for the Haeger Pottery Co. at Dundee, and lunch at the Evergreen, also at Dundee.

The next meeting of the Literary section of the club will be at 1:30 p. m. April 10 in the Antioch Library.

Miss Luisa Vos Will Attend National College of Education

Miss Luisa Charlotte Vos, daughter of Mr. and Mrs. Edmund Vos of 576 N. Main St., Antioch, has been accepted for admission to National College of Education, Evanston, Ill.

National College is the oldest private elementary teachers' college in the United States. The college is known for combining practice with theory during all four years of its program for preparing elementary teachers. Besides the bachelor's degree, a master's degree is awarded for the fifth year of study.

Presented Gold Badge

Capt. Francis Burke, who retired as a fireman at Engine Co. 7, Chicago, was given a farewell party by the company Monday night and presented a gold badge as a token of esteem of his colleagues. He is now employed at Fansteel.

Vince Lloyd To Speak at Lions Athletic Banquet

The Lions Club of Antioch will give its annual banquet honoring Antioch Township High School athletes and cheerleaders at 7 p. m. Monday at the high school.

Vince Lloyd, well known radio and TV sports announcer will be the guest speaker.

Lloyd is well known in the Chicago area for his fine all-around coverage of local and national sports.

His assignments in the course of a normal week include such features as WGN's "Batting Practice," at 12:55 p. m. CDSF daily from one of Chicago's major league ball parks and "Wrestling Films" seen Thursdays from 10 to 11 p. m. Frequently he is assigned to do the play-by-play radio description of a major league game in Chicago for Mutual, and occasionally pinch-hits for Jack Brickhouse on WGN's daily "Sports Final" at 5:45 p. m. In

Vince Lloyd

In addition to these programs he also handles the usual routine assignments of a staff announcer.

He began his career with WYAX in Yankton, South Dakota, and then moved to KTRI in Sioux City, Iowa, where he emceed numerous shows and did some script writing. In 1941 Vince went to WMBD in Peoria, Ill., where he was assigned to the news room, a position he held until he joined the Marine Corps. After four years of service, he rejoined the staff of the Peoria station as sports editor. The young sportscaster gained valuable experience in covering the University of Illinois football games, as well as presenting play-by-play accounts of the Bradley University basketball games. Vince made his television debut in 1949, when he joined the WGN-TV staff.

Principal Albert Dittman will also speak and introduce the members of the coaching staff.

A trophy will be presented to the outstanding athletes.

Grass Lake P.T.A.

Hears Program on Scouting Activities

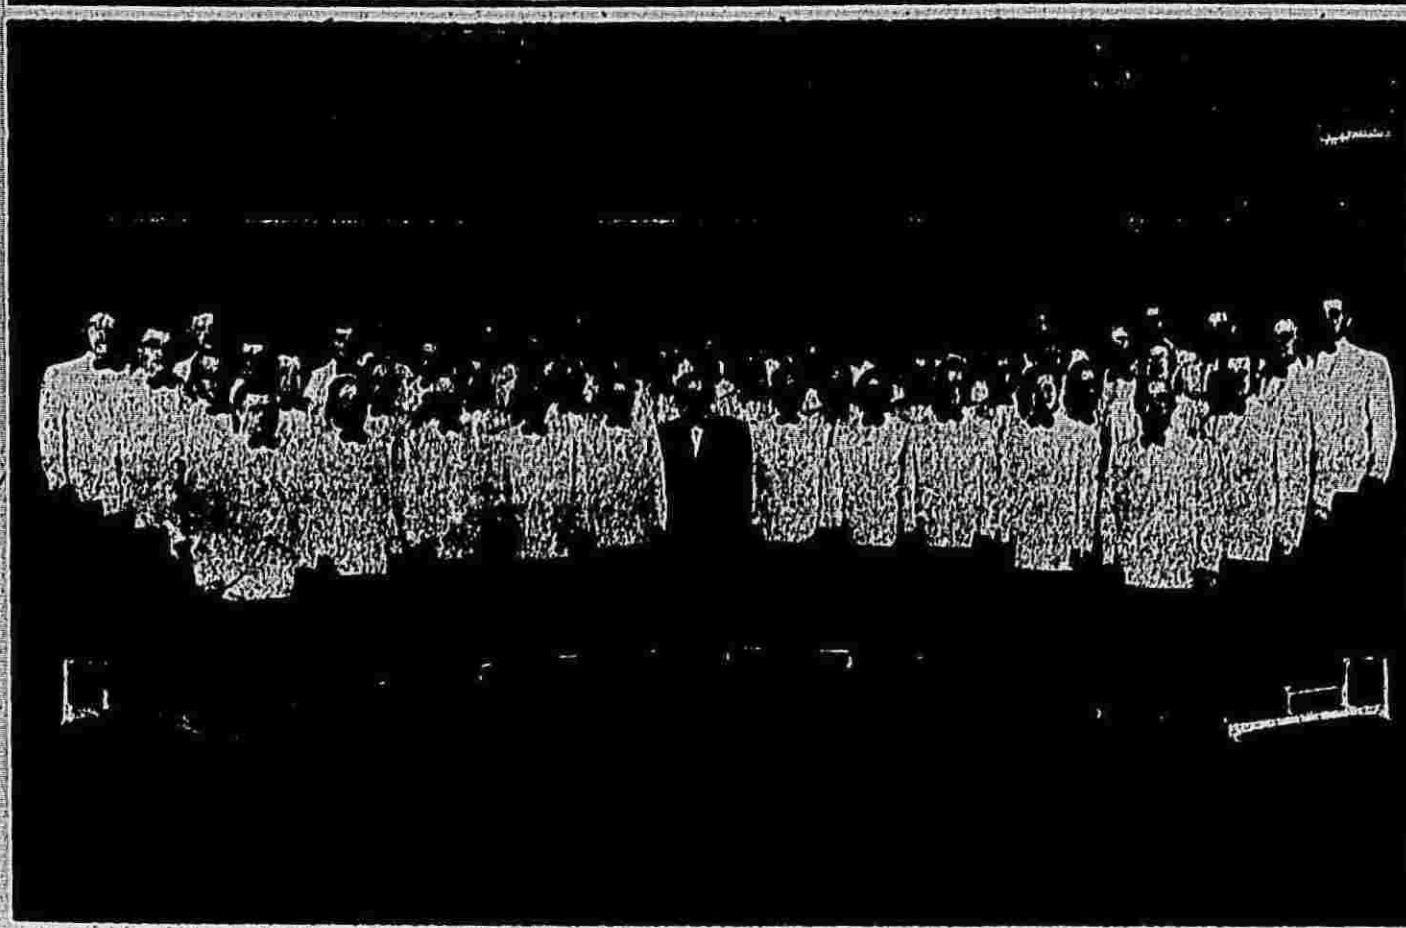

When the Grass Lake P.T.A. met Monday evening, all branches of Scouting were very much in evidence. The meeting opened with the presentation of their flags by a Scout from each group. They were as follows: Grass Lake Brownie Troop 11, Susan Schaefer; Girl Scout Troop 6, Susan Yancey; Cub Scout Pack 80, Thomas Wojnowiak; Boy Scout Troop 80, Robert Hart, Jr.; and Explorer Scout Thomas Golden carrying the American flag.

Mrs. Karl Hawkins, president, conducted the business meeting during which the nominating committee for election of officers was appointed. Mrs. C. Queen, Mrs. Robert Hart, and Mrs. Earl Beese will serve on this committee. A committee to select playground equipment was also formed. Mrs. James Ferrier, Mrs. Wilbert Schaefer, Mrs. Robert Hart, and Mrs. Helen Burke are included in this committee. Mrs. Jane Powell, ways and means chairman, was called upon and she announced plans for the forthcoming P.T.A. roast beef dinner on May 4. Tickets will be available soon. Mrs. Hawkins then announced that Mrs. James Ferrier, P.T.A. secretary, and Mrs. C. Queen, will represent the P.T.A. at the annual Illinois Congress of P.T.A.'s on April 18, 19 and 20 in Springfield, Ill. They will bring back much valuable information and some movies. The convention expense budget for two delegates was increased from \$50 to \$100.00 by a vote of the association.

Scout Units Explain Work

The meeting was turned over to Mrs. Wilbert Schaefer, program chairman, who introduced a Leader from each Scout Unit. They explained the work of their particular group. Mrs. Barbara Mitchell, Brownie Troop 11 leader, explained the Brownie program for girls 7 to 10. She told how games, craft projects, and dancing as well as outdoor experience are taught to the girls. She made it plain that it was not only fun, but good training for girls going into the Intermediate Scouting. Intermediate scouting for girls was discussed by Mrs. R. W. Yancey, member of the committee for Troop 6. She spoke in the absence of Mrs. Lester Hribar, leader, who is on vacation. Mrs. Yancey gave a clear picture of the work involved for the girls when they earn their merit badges, and explained that homemaking is of prime importance. She also pointed out that Troop 6 is unusually proficient in

Robert G. Langosch

Robert G. Langosch, son of Mr. and Mrs. Elmer M. Langosch of Route 2, Box 311, Antioch, has been appointed second platoon right guide of his recruit company at the Great Lakes Naval Training Center. As a recruit petty officer he wears a miniature rating insignia as a badge of authority during most of his nine weeks of "Boot Camp." He is scheduled to graduate Mar. 15.

outdoor experience, having spent a week camping out at the Dunes State Park last year. Speaking for the Senior Girl Scouts was Mrs. Harry Jesse, who told how some of the older girls had gone into camp counselor work.

Explain Scouting Program

In the Boys department Cub Master Michael Wojnowiak and his son Tommy explained the cub scouting program. They showed the three badges, Wolf, Bear, and Lion, that the boys earn between the ages of 8 and 10½, and told how at 10½ the boys go into Webelos Den which prepares them for Boy Scouting. Mr. Wojnowiak also gave much credit to the fine work of Den Mothers and Troop committeemen. Next in line was Scout Master Fred Brown who spoke on behalf of the Boy Scout Troop 80. He showed some of the skill the boys had attained in fly tying, which was their booth project for the recent Scout-o-rama. They have also completed a six weeks course in first aid by the Antioch Rescue Squad, for which they will receive a merit badge.

Scouter Robert Hart, Jr. showed how he could tie the various complicated knots while blindfolded, and this drew much applause. Mr. Brown left the audience with the impression that scouting builds a boy into a man. Lastly, Robert Hart, Institutional Representative, told something about the Explorer Scouts in the absence of Lester Hribar. They presently have a boat building project going. Mr. Hart closed with thoughts on the importance of the Scouting program as a whole for children. He said that the Grass Lake Area has grown from 50 to 100 families with a Scouter in the past two years. This worthwhile meeting adjourned and parents had an opportunity to view the displays on tables by all the troops and dens represented. There was some really fine craft work. They also enjoyed St. Patrick's day type refreshments provided by the Third grade mothers with Mrs. William Zale, room mother in charge.

Gas Co. Contracts To Buy 50 Million Feet From N.N.G.C.

AURORA, ILL.—Northern Illinois Gas Company has contracted to purchase 50 million cubic feet of natural gas daily from the Northern Natural Gas Company, subject to an application filed yesterday by Northern Natural with the Federal Power Commission in Washington, D. C. At the same time, Northern Illinois Gas applied to the Illinois Commerce Commission for the necessary authority to proceed with the project.

According to Marvin Chandler, president of Northern Illinois Gas Company, if regulatory approvals are received promptly and there are no difficulties in acquiring right-of-way, obtaining materials and completing construction, this new supply could be available before the peak of the 1958-59 heating season.

"As soon as a dependable time of delivery can be established," Chandler reported in a letter being mailed stockholders, "We will authorize as many additional house-heating connections as the new supply, coupled with our other pipeline flow gas, storage and peak shaving facilities, could then handle. Our best guess now is this would permit authorizing between one-third and one-half of our present waiting list of about 115,000 applicants."

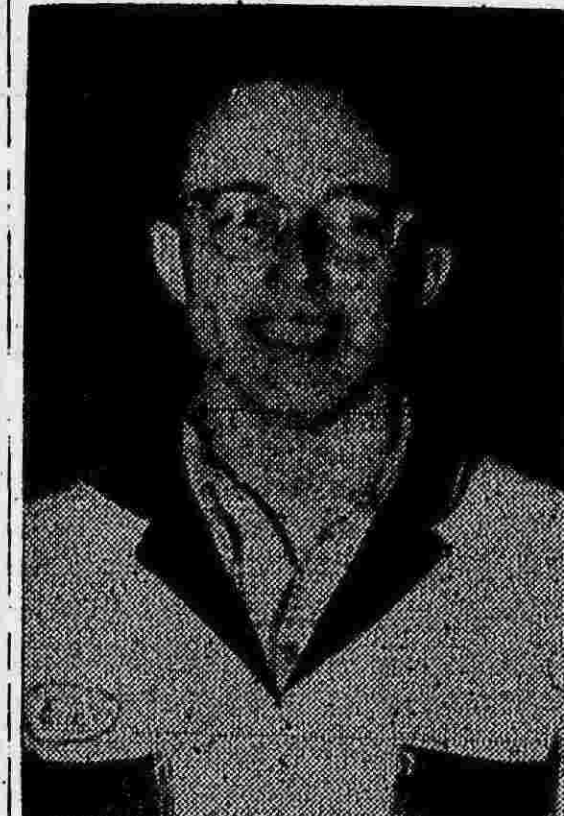

According to the plans, Northern Natural Gas Company (which now serves natural gas in Minnesota, Iowa, Nebraska, South Dakota and Kansas) will build a line across the Mississippi River at Dubuque, Iowa, from its present facilities. Northern Illinois Gas will receive its new supply near East Dubuque, Ill., and construct a 140 mile pipeline across the northern part of the state to points of connection with present facilities. Its eastern terminus will be near Des Plaines, Ill. The new project, estimated to cost \$15 million, would raise the company's five-year (1958-62) construction budget to about \$140 million.

Chandler emphasized that this

new project should not be confused with the company's recent agreement to purchase a similar amount of natural gas daily from the Midwestern Gas Transmission Company's proposed pipeline to be constructed between Portland, Tennessee, and the Chicago area.

Tax Economics Bulletin states that in the last 20 years or so more than \$4.5 billion of highway user tax funds have been diverted to non-road purposes. And the trend of this diversion has been upward in late years.

SOCIAL STUDIES DEPARTMENT
ANTIOCH TOWNSHIP H. S.
March, 1958

(This article is an attempt to acquaint the people of the community with the work being carried on in the Social Studies Department of the Antioch Township High School.)

The curriculum in social studies at Antioch Township High School consists of two divisions: required courses and electives. The required courses are American History on the Junior level; American Government on the Senior level. The elective courses available at this time are World History and Social Problems. Generally speaking, the World History course is a Sophomore course and Social Problems a Senior elective.

There are three members of the faculty teaching in the department. One teaches strictly in the field of American History; another a combination of American History, American Government, and Social Problems; a third teaches the World History classes with a partial class load in the Science Department. Additional staff members will become a necessity in the near future due to an expanding curriculum and growth in enrollment.

The department consists of five sections of American History and three sections of World History, each averaging thirty students per class. The Senior courses are taught on a semester basis with two sections of American Government, each semester averaging thirty students each. The course in Social Problems, a Senior course, is offered both terms; it has an average of thirty-seven students in each class who take advantage of this opportunity.

Facilities—The Social Studies Department is at present adequately equipped. Two classrooms are available with a seating capacity of approximately 75 students. With the rapidly increasing enrollment, however, these two rooms will be inadequate in the very near future.

Objectives—Students taking courses in this department are classified as advanced, average, and slow. Such classifications are based upon eighth grade achievement scores; Freshman, Sophomore and Junior academic grades; the state-wide Junior Achievement Tests; teachers' evaluations. One of our main objectives is to allow each student to advance according to his or her ability. An attempt is made to encourage the slow student to work up to his capacity; the average student to advance in the direction which will enable him to achieve the required standards set up by the department and the state; the advanced group is encouraged to go above and beyond the standard in an attempt to utilize their superior abilities. This does not mean, however, that a student must stay in his own group level. If he wishes to advance, additional effort and marked improvement must be evidenced.

In the field of World History, we aim to give the students a good geographic setting of our countries and to show the rise and development of nations, their contributions, their progress, reasons for retrogression, etc. An effort is made to show the inter-relationship that exists

between countries through diffused cultures, communication, trade and those other factors which serve to unite the world. In the eyes of a student, the study of the history of the world becomes more vital as the world "shrinks."

In American History the purpose is to develop a great appreciation for the social and cultural heritage which is ours, to expose why a nation with so many natural geographic and cultural advantages must develop along democratic lines, project itself into a position of world power and become a leader among men.

Our aim in Social Problems is to expose the everyday problems of every community to our future citizens, to provoke good thinking, to help create a better understanding of situations which arise, methods of coping with them, and especially to get students to see both sides of any given situation.

In American Government, we are attempting to create an understanding of our government from the basic principles beginning with the Declaration of Independence through the creation of the Constitution as the basic framework of all governments created on American soil. We hope to develop the feelings of American patriotism through the study of our flag and to educate our young citizens to become good citizens by exercising their right to a voice in government through proper voting as exposed through the study of the Australian ballot system.

There is a concentrated effort on the part of all teachers within the Social Studies department to get students to read and discuss current material from various sources so as to provoke good thinking and thus create a better understanding of critical issues. We feel that we are giving much consideration to individual needs and differences. We encourage each student to do his best at all times and to be proud of being a good American.

Science Students Visit Atom Fair

Antioch Township High School physics and chemistry students who have expressed an interest in the field of atomic energy attended the opening of the Atom Fair at the International Amphitheatre Sunday. Those making the trip were: Vienna Biehl, Faye Mann, Caroline Stoffel, Joel Armstrong, Frank Ferdon, Robert Paulson, John Proesel, Bryan Cain, Tom Sanhamel, Robert Gable, Robert Abendroth, and Dennis Beattie.

The trip was sponsored by the science department under the direction of Elmo Edwards and Elroy Robinson. Parents making the trip were Mr. and Mrs. Harold Biehl and Mr. Norvin Stoffel.

The highlight of the day was the more than one hundred exhibits demonstrating peaceful uses of the atom. The purpose of the fair was to offer a free exchange of knowledge and ideas among atom scientists and engineers.

The teen-agers were told that whether one aspires to become a scientist or engineer, the training in high school may be the same. Subjects should include mathematics through trigonometry. The important sciences are physics, chemistry, and biology. The really serious student should undertake to build this foundation in mathematics and as much science as possible without neglecting the humanistic studies which are so important in the art of living.

Gas Clouds Occupy Interstellar Space

WASHINGTON—The vast distances between the stars—light from the star closest to the sun takes more than four years to reach the earth—are not empty.

In interstellar space there are enormous invisible clouds composed of gases and "grains," whose nature is completely unknown, out of which eventually new stars are born. Locating and defining these clouds and determining what they are made of remain some of the most pressing problems of modern astronomy.

Salem Resident Dies From Car Crash Injury

Ronald Drotar, 20, Salem, Wis., died Saturday at 12:54 a. m. on highway 75, six miles north of Brass Ball Corners, as the result of injuries received in a car accident.

He was born January 15, 1938 in Chicago, and for the past ten years had lived in Salem. He was a member of Holy Name church at Wilmet, Wis. He was a toll road worker at Libertyville.

Survivors are his parents, John and Sophie Drotar and a brother, John, Jr., of Chicago, and his maternal grandparents, Joseph and Ann Puzio, also of Chicago.

Funeral services were held at 10 a. m. Tuesday at the Holy Name church. Interment was in Holy Name cemetery.

Miss Olive Hope, 70, Former School Teacher Dies at Home in Salem

Miss Olive Hope, 70, Salem, Wis., died Friday, March 14, at her home, following five years of illness. She was born July 28, 1888 in Little Grant Township, Grant County, Wis., moving to Salem 54 years ago. She taught school for 35 years, 14 of which were in the Salem Grade school.

According to the state inspector, she was the first to institute a hot lunch program in a rural school. She graduated from high school and from Oshkosh and Milwaukee State Normal school. After retiring from teaching she became a U. S. Mail carrier in the Salem area.

She served three terms as Worthy Matron of the Bristol chapter Order of Eastern Star and was a 50 year member of that chapter. She was chosen Grand Representative to Louisiana for the O. E. S. in 1942. She was a member of Salem Methodist church and for 30 years was a correspondent for the Kenosha Evening News.

Survivors are one brother, Monroe Hope Cassville, Wis.; two sisters, Mrs. Florence Carpenter, Martinez, Calif.; Mrs. Agnes Morrow, Bloomington, Wis. She was preceded in death by her parents, William and Mary E. Hope; two sisters, Mrs. Angeline Brookens and Mrs. Allie Hickok and a brother, John Hope.

Funeral services were held at 1:30 Sunday at the Strang Funeral home. The Rev. Carroll Usher of the Salem Methodist church officiated. The body was taken to Bloomington, Wis., where funeral services were held at 2 p. m. Monday. Interment was in Bloomington cemetery.

Cemetery Assn. Elects

Officers of the Antioch Hillside Cemetery Assn. were elected at a meeting of the association Monday at the Strang Funeral home. They are Mrs. Fern Watson, president; Mrs. Antoinette Fields, vice president; Mrs. Vera L. Horton, secretary; and William E. Brook, treasurer.

Trustees appointed are Joseph E. Horton, chairman; Fred Hawkins, Frank Powles, Lee Strang, and Robert Wilton.

New Law Requires Election Results Be Sent to Co. Chairman

Judges of election will be required for the first time in the April 8 primary to expedite complete and final election returns to the county chairmen of the Democratic and Republican parties.

This is a requirement under an amendment to the state election law introduced at the last session of the Illinois General Assembly by State Rep. Jack Bairstow, Democrat of Waukegan.

Bairstow explained the new law Wednesday night at a meeting of Democratic precinct committeemen, election judges and Democratic party workers from Cuba, Elia and Waukegan townships. The meeting was held in Kazimour's on Fox River between Waukegan and Barrington.

Bairstow said the new law requires that immediately upon completion of the vote count in their precincts, election judges shall be required to mail certificates of election results to the county clerk and the chairmen of the Democratic and Republican county central committees. He emphasized that the law requires such certificates shall be mailed at once after ballot counts have been completed.

Formerly such certificates went only to the county clerk, township clerks and to the secretary of state. Bairstow said the new law will be especially helpful in expediting complete and final returns to newspapers and other organizations desiring election result records from all of the 188 Lake County precincts.

Bairstow has served three terms in the Illinois General Assembly and had received the endorsement of the County Democratic Central Committee for re-election. The primaries are Tuesday, April 8.

Outside Employment Has Effect On Student's Grades

CHICAGO—Outside employment has a definite effect on a college student's grades.

Students working more than 12 hours a week have somewhat lower grades than those working fewer hours or not at all, it was revealed in a survey conducted at Illinois Institute of Technology.

More than one hundred students, representing a cross-section of the student body, reported their work activity for a typical one-week period in the school year, according to William D. Diemer, mechanics instructor who made the survey.

"Half of the employed students surveyed worked more than 12 hours a week," Diemer pointed out, "and one-fourth of them put in more than 20 hours a week in outside employment."

Thirty-five per cent of these students were employed from four to 40 hours a week, or an average of 15 hours, he said. The proportion of working students among seniors was 50 per cent, slightly higher than the 30 per cent figure for employed undergraduates.

"Presumably, the student who is working a greater number of hours each week does not carry as heavy an academic program," commented Diemer. "Although the data shows that this is true, the difference is slight."

According to the survey, students working more than 20 hours each week had significantly higher scores on college entrance examinations than those who worked less or not at all. However, students working fewer than 20 hours per week have slightly lower intelligence scores than non-working students.

Pictured above is the tenderest beef you can buy—a standing rib roast. But even this "king" of roasts isn't automatically tender and juicy. It could be a disappointment unless it is properly cut and trimmed. That's why all 188 Jewel meat markets cut every rib roast exactly the same way—the Jewel Extra Value Trim way! Although up to 7 ribs of beef could be cut

for rib roast, all are not equally tender. That's why Jewel sells only the choice first five ribs as standing rib roast... and the remaining 6th and 7th ribs as pot roast. You don't get any of the tougher short ribs with your roast either. Your Jewel market man removes them along with the wasteful tip of the back chine bone and gristle—all before weighing!

Can't you just imagine what a feast this U.S. Choice 5-rib roast would be for your family! You may win one just by playing Jewel Extra Value Line-Up. Remember, you always win when you rely on Jewel Quality!

Bicyclists Should Learn And Respect Traffic Laws

Today's bicycle riders are the drivers of tomorrow. Whether they become good or bad drivers depends to a considerable extent upon how well they learn the laws of highway survival now.

Youthful bicyclists, properly trained, learn at an impressionable age to develop respect both for traffic safety rules and for their fellow travelers. Bicycle riders learn they must compete with far heavier vehicles for use of streets and highways—vehicles which may crush them in an instant if safety rules are forgotten.

After studying the development of cyclists into teen-age drivers, it is believed that a boy or girl who passes through the bicycle age without accident is more than twice as well qualified to face the hazards of driving a car when the time comes.

These young people grow up with a first-hand knowledge of the value of traffic safety rules. Moreover, the safety habits vital to bike riding are later applied subconsciously to driving.

The most important safety rules for bike riders who "can hardly wait" until they are old enough to drive are these:

1. Keep the bicycle in safe mechanical condition at all times, with special attention to brakes, lights and horn.

2. Use proper hand signals when riding on the street.

3. Always travel on the right side of the street and keep well to the side.

4. Obey the same "Stop," "Go," "Caution" and other traffic signs that autos must observe.

5. Slow down, use caution when approaching intersections; look both left and right before crossing.

6. Make sure that the street is clear in both directions before making left turns, then be sure to use the proper hand signal.

7. Be courteous and considerate toward pedestrians at all times. It's good safety practice to ride in the street, not upon the sidewalk.

Parents can help their children to develop proper traffic safety habits by setting good driving examples themselves. Do not drive above posted speed limits; never pass on hills, curves, or when it is otherwise unsafe to do so; obey all traffic signs and signals; be courteous; keep your car in good mechanical condition.

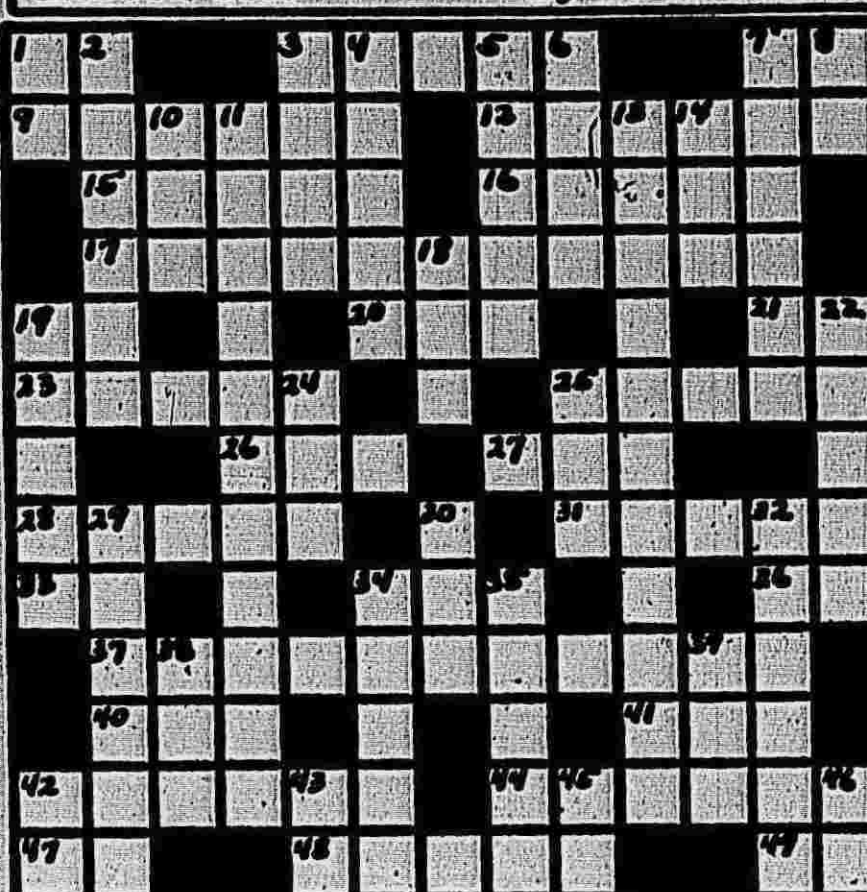

Remember, you may get away with occasional bad driving yourself, but you cannot expect children to be as lucky when their turn comes to drive.

TAX FACTS

The Taxpayers' Federation of Illinois today called attention to the fact that the annual town meeting is just around the corner. Townships, which may be classified as special districts, have preserved a vestige of direct government in this meeting. The annual town meeting is held the first Tuesday in April at the place fixed by the electors at the previous annual meeting.

Some of the powers of the electors at the town meeting, in addition to levying taxes, include making orders for the sale, conveyance, regulation, or use of town property; providing for the institution, defense, or disposal of suits of law or in equity; taking action to control noxious weeds; encouraging tree-planting along highways; regulating and licensing junk dealers; constructing and maintaining public wells; fixing a reasonable salary for the town clerk in lieu of all compensation and fees; fixing the com-

compensation of the board of town auditors at not to exceed \$10 per diem; and determining the hour at which the succeeding town meeting will be held.

The officer chosen to preside at the meeting is the moderator. The principal business of the meeting for years was levying taxes, but the municipal budget law, first appli-

cable in 1939, has made consideration of the levy subordinate to action on a budget and appropriation ordinance.

In townships such budget and appropriation ordinance is prepared in tentative form for purposes other than the road and bridge funds by the board of town auditors, and is available for public inspection at

least 30 days prior to final action thereon. At least one public hearing is held on such budget and appropriation ordinance prior to adoption. Public notice of such hearing is given so that the electors shall have an opportunity to be present and express their opinions.

The two important funds levied by a township are the town general fund and the general assistance fund. The town general fund levy is subject to no statutory or constitutional limitation. The general assistance fund levy is subject, for all practical purposes, to an amount which when added to the unobligated balance requires a rate for tax extension purposes of 10c per \$100 of valuation.

CHEVY'S NEW V8 LEVELS
THE HIGHEST, HARDEST
HIGHWAY OVER THE ANDES!

To prove the durability of Chevrolet's radical new Turbo-Thrust V8,* the tremendous flexibility of the new Turboglide transmission,* the incredible smoothness of Full Coil suspension, we tackled the most challenging transcontinental road in the world — the 1,000-mile General San Martin Highway. To make the test harder, officials of the Automobile Club of Argentina sealed the hood shut at Buenos Aires — no chance to add oil or water or adjust carburetors for high altitude.

So the run began — across the blazing Argentine pampas, thrusting boldly into the stone ramparts of the forbidding Andes. Up and up the road climbed, almost 2½ miles in the sky! Drivers gasped for oxygen at 12,572 feet — but the Turbo-Thrust V8 never slackened its jet-smooth torrent of power, the Full Coil springs smothered every bump, the Turboglide transmission made play of fantastic grades up to 30 percent. Then a spine-chilling plunge to the Pacific at Chile's great port of Valparaiso, a quick turn-around and back again. Time for the round trip: 41 hours 14 minutes — and the engine was never turned off! That's rugged proof-in-action of the great new advances you'll test for yourself the first time you drive a '58 Chevrolet. That's a real thrill — why not discover it this week?

Read John 1:14-19

Of his fullness we all received, and grace for grace. For the law was given through Moses; grace and truth came through Jesus Christ. (John 1:16, 17, ASV.)

We were at prayer meeting in the lean-to chapel back of the church in Cheng Tu, West China. A hymn had been sung. The Chinese pastor had read a few verses of Scripture and commented on them.

At my left, in the end of the seat, sat a poor man. I had never seen him before. He followed several others in prayer. One sentence in his prayer in Chinese has clung to my memory through the years as a real blessing.

To express the same idea in English requires more words, and also loses some of its force. Using Chinese words of strength, he said, "Most earnestly we beseech God to add grace to grace."

That poor man may not have been well-versed in the classics, but he certainly knew God and the Bible and practiced the grace of obedience.

Prayer

Dear Lord, we thank Thee for the inspiration of prayers we have heard. Some of them have been abiding blessings to us. Add grace to grace in our lives that we may be a help to others, as others have been a blessing to us. In Christ's name and for His sake. Amen.

Thought for the Day

This day I will pray and practice the grace of obedience.—Harry L. Canright (Florida).

NATIONAL CROCHET CHAMPIONS

Reading from left to right: Miss Nancy Lally, Teen-Age Champion of Woonsocket, Rhode Island; Mr. Carlen V. Fryer, Men's Champion, Tallahassee, Florida; and Mrs. F. A. Richardson, Grand National Champion of Homestead, Oklahoma.

America's Crochet Champions, selected by a panel of leading needle-work authorities, were honored recently at presentation ceremonies in the Waldorf-Astoria, New York, climaxing the 16th annual National-wide Crochet Contest sponsored by the National Needlecraft Bureau. Almost 100,000 pieces of crochet were entered in the Contest through 869 State and County Fairs throughout the country during the past year.

Geographically, the 366 national winners in the Contest represent a good cross section of the country. . . . 39 states had one or more winners, with California taking top honors with a total of 54. Iowa was second with 37 and Ohio third with 25. Idaho, Indiana, Minnesota, Nebraska and Washington were next with 15 winners each. Illinois, Oklahoma and Oregon followed with 14, 13 and 11 respectively.

Each Champion received a free, all-expense paid trip to New York for two, plus substantial cash awards. In addition, Mrs. Richardson won an 8-day cruise to Bermuda for two as Grand National Champion, and a special cash award as First Prize Winner in the Original Design group. Her winning entry was a beautiful centerpiece. Miss Lally won her title with a group of crocheted dolls and Mr. Fryer's championship piece was a handsome crocheted bedspread.

Mr. and Mrs. Francisco have just returned from the show.

VITAMIN FACTS

THERE ARE 17 VITAMINS KNOWN TO SCIENCE. DEFICIENCIES IN 8 OF THESE CAN CAUSE SERIOUS HUMAN ILLNESSES. EVEN HEAVY EATERS MAY ACTUALLY BE STARVING FOR LACK OF ESSENTIAL ELEMENTS LIKE VITAMINS.

A GREAT MODERN VITAMIN ADVANCE WAS CLINICALLY ESTABLISHING THE VALUE OF WATER-SOLUBLE MULTI-VITAMIN PREPARATIONS IN 1946 BY ENDO LABORATORIES.

WE DON'T OUTGROW OUR NEED FOR VITAMINS. VITAL TO CHILDREN, THEY ARE ESSENTIAL TO ADULTS AS WELL. ACTIVE PEOPLE LIKE CONCERT AND TV STAR MIMI BENZELL TAKE THEIR VITAMINS ALONG WITH THEIR CHILDREN.

ORANGE-FLAVORED VIFORT NECTAR, LATEST VITAMIN ADVANCE, MAKES DOSEAGE PLEASANT AND MEETS SPECIAL NEEDS OF OLDER CHILDREN AND ADULTS. VIFORT NECTAR, BECAUSE IT IS WATER-SOLUBLE, ASSURES MAXIMUM UTILIZATION OF THE CONTAINED VITAMINS.

Y.R.O. News—

Next Summer one Girl Scout will be sent to Camp Pottawatomie Hills, and one Boy Scout will go to Camp Ohd A Kota for one week. The Scouts will be chosen on a point system and sponsored by the Y.R.O.

Cub Scout Pack No. 8 News—

Faced with a transportation problem, and a Den Mother shortage, Pack 8 inaugurated a den meeting every Wednesday evening at the Salem Grade school at 7 p. m. Cub Master Vic Grumbeck, ably assisted each week by Asst. Cub Master Bill Couch, with former Cub Master George Lebango, supervises the weekly den meetings.

This new idea in den meetings has met with the approval of Den Mothers, as the roster of den mothers has increased from 4 to 11 since November. The den mothers participating in the activities of Cub Pack No. 8 include Mrs. Arbutus Buening, Mrs. Rita Schmidt, Mrs. Laura Noska, Mrs. Marcy Kujat, Mrs. Lorraine Dragon, Mrs. Pearl Grumbeck, Mrs. Elaine Grumbeck, Mrs. Ruth Stewart, Mrs. Mildred Shaw, Mrs. Bee Flaschner, and Mrs. R. Hoffman.

Brownie Troop 147 News—

The month of February was a busy one for the 46 girls of Troop 147. In crafts the girls made hand puppets and put on puppet shows. March 9-15 being Girl Scout Week each patrol had a local display on scouting, March 15, at 9:30 a. m. All troops in this area will participate in a program to be held at Rolling Wheels roller rink in Twin Lakes. The program will be followed by a skating party with Mr. and Mrs. Dunne as host and hostess.

Sowisco Jr. Rifle Club News—

Just one year ago March 10, 1957, the club got its start. We had 19 boys and girls, ages ranging from 8 to 19. We now have 43 members that are doing fine shooting. During the summer we met one or two times a week, then came the cold weather, and we had to stop our activities for lack of an indoor range. We are now looking and working for one.

Boy Scout Troop 28 News—
We are very proud to announce that Sunday, March 2, at the annual Klondike Derby at Camp Ohd A Kota, out of 44 patrols that attended we were one of the five to win a class A rating. It is the 7th straight class A rating for Troop 28. We are now planning and training for the coming camporee which will take place sometime in June.

Anyone interested in any of the clubs may contact YRO—William Couch, Underhill 2-3363; Cub Scouts—Vic Grumbeck, Underhill 2-2970; Brownies and Girl Scouts, Mrs. John Jenna, Vinewood 3-3551; Rifle Club—Al Johnson, Underhill 2-2494, and Boy Scouts—Fred Lentz, Vinewood 3-3431.

U. of I. Food Report

Chicago Retail Food Markets
Week of March 17-22
CHICAGO—Looking ahead the next three weeks, the University of Illinois consumer service sees some lowering food prices, weather situations permitting.

For the moment, however, the weekly survey of metropolitan Chicago wholesale and retail markets notes: continuing high-cost meats; a fifth round of adverse produce weather, causing fresh vegetables primarily and some fruits to take another cost jump; groceries remaining generally steady, still offering homemakers abundant value buy opportunities.

Value meat selections this week almost duplicate a week ago, headed by lower priced lamb leg roasts, better value veal shoulder and rump roasts and loin chops, and some beef cuts, mostly standing rib roasts and quality cut steaks. Selected pork items present on last week's value list are missing this week on advancing prices, presenting fewer feature opportunities for most stores. Even turkey, a continuing value, advanced slightly.

Most fresh produce price increase occurred at wholesale with slight retail advances noted, led by grapefruit, apples and oranges in fruits, and tomatoes and celery (both much higher), and most vegetables from the south.

Grapefruit and oranges registered increases costwise in all three forms—fresh, canned and frozen.

Produce value considerations are cabbage, carrots, broccoli, onions, spinach, grapefruit, avocados, pears.

For those who have speculated on this winter's produce prices, the facts indicate weather resulted in a 15 per cent drop in vegetable volume below a year ago, and 17 per cent below normal. Prices have raised in greater proportion to exceed the high levels of two years ago, so that today there are virtually no cheap vegetables on the market. Shipments of some items have been curtailed as much as 50 per cent. Items most severely affected are tomatoes, sweetcorn (almost non-existent this season), snap beans, green peppers, cauliflower and cucumbers, to name a few. Affected to a lesser extent are eggplant, lettuce, escarole and broccoli.

It should be noted, too, that total meat production is off 12 per cent from a year ago, a major contributing factor to current price levels.

To strike a more encouraging note, the U. of I. looks ahead toward spring and sees a general improvement in the produce picture based on new production. Within the next two weeks, for instance, consumers can expect fresh sweetcorn and green beans on the market.

THIS WEEK'S U of I MARKET BUY

Fewer beef bargains, exception being rib roasts and quality cut steaks. Lamb is lower. Veal continues at better value levels. Pork higher priced. Eggs begin the spring cost drop. Rain again pushes produce prices up. Relief in terms of supply, quality and price sighted within three weeks, weather permitting. New increases expected for canned and frozen citrus, but generally canned foods amply supplied, unchanged in price.

MARKET VALUES

Meats: Lamb leg roast—Veal shoulder roast—Turkey—Beef rib roast, sirloin and porterhouse steaks—Produce: Broccoli—Spinach—Cabbage—Carrots—Onions—Pears—Grapefruit—Apples—Avocados

Poultrywise, the late-December and January fryer crop is beginning to arrive at market. Weather was even a retarding factor here. But expect improved supply and prices. High egg prices have encouraged farmers to hold birds that might normally have been marketed for egg production. Better supplies of eggs have dropped costs 2c per dozen.

The spring beef picture should improve, too, accompanied by changed consumer demand resulting in lower cost roasts. But steaks will take a firmer tone in the shift. Concessions can be expected in ham prices.

LITTLE BILL says:

6¢ a load
is all you pay —
to dry the clean
electric way

An electric dryer does a full 8-lb. load for only 6¢: 2 double sheets, 2 pillowcases, 2 bath towels, 2 face towels, 2 dish towels, 1 pair of pajamas, 2 pairs of men's shorts, 3 pairs of socks, 6 handkerchiefs, and 2 T-shirts. 25 to 30 minutes is all it takes to dry this load!

Nothing's faster, nothing's cleaner—
and electric dryers are completely automatic

COST?

ELECTRIC DRYERS

cost
\$30 to \$60 less
to buy
than any other kind

Today's modern electric dryers will dry a full 8-lb. load of wash for just six cents.

And clothes stay clean and smell clean when they're dried in an electric dryer. No fumes can ever mix with garments. Electric heat is clean, dry, radiant heat—just like the sun.

It takes only 25 to 30 minutes to dry a full load of cottons electrically. This means your dryer will easily keep up with your automatic washer.

All electric dryers are fully automatic. No complicated igniting devices to get out of order.

And, as your electric appliance dealer will tell you, electric dryers cost less than any other type.

More than fifty thousand individual V-Mail letters from American soldiers in England to relatives in the United States were destroyed when a Canada-bound Royal Air Force plane crashed in Newfoundland. The original letters were re-produced at the Army Postal Service's V-Mail station in England and dispatched by a later plane for the United States. This incident shows the value of V-Mail over ordinary mail.

The P.T.A. of the Antioch Township High School will hold a food sale at the Packing House on Saturday, starting at nine o'clock.

Lucille Waters of Antioch is the only college student attending Northern Illinois State Teachers College from this section whose name appears on the College honor roll for the quarter just passed. In order to qualify for the honor roll students must have made an average of "B" in all work previously done at the institution.

The Antioch Grade School will have a card party at the school Monday evening, March 22. Mrs. Cleus Vos is chairman.

Mrs. Effie Nelson entertained at a birthday dinner for her daughter, Mrs. Vera Rentner, Sunday. Among those present were Mr. and Mrs. Lester Nelson and family, Mrs. George Bacon and Mrs. Hugh Hufendick and family.

Mr. and Mrs. Robert Price and daughter of Hebron were guests of Mr. and Mrs. George Garland Sunday.

Mr. and Mrs. William A. Rosing returned home Friday after spending ten days at Hot Springs, Ark.

Mrs. George Gaulke of Woodstock spent the week-end with the George Garland family.

Mrs. Axel Kristensen, the former Dena Hansen of Pasadena, Calif., spent Friday and Saturday with Mrs. N. C. Jensen and Miss Ella Jensen.

March 18, 1943—15 Years Ago
The Ladies' Guild of St. Ignace Church will serve a lenten dinner Wednesday, March 24, starting at 11:30 o'clock, at the Guild Hall. Adults, 40c, children, 30c.

Mr. and Mrs. Richard Whitacre have moved into the house vacated by Mr. and Mrs. Ralph Clabaugh. Mr. Whitacre replaces Mr. Clabaugh as principal of the Grade School. The Clabaughs have moved to Arlington Heights.

Mr. and Mrs. Fred B. Swanson attended a dinner dance at the Edgewater Beach Hotel Saturday evening.

Frank Petty, who enlisted in the Naval Air Corps in December, was inducted Monday in Chicago. Frank was placed on inactive duty and will be employed in Champaign, Ill., until he is called to active duty.

Frederick Hawkins, son of Mr. and Mrs. Fred Hawkins, received orders to report for duty Saturday at Fort Custer, Mich. Freddie enlisted in the Coast Guard Artillery last November and has since been attending the University of Illinois, while awaiting his call.

Lieut. James McMillen was released from Wesley Memorial Hospital, Chicago, Sunday after a week's illness with flu.

Winsor Dalgaard was home Saturday. "Windy" is a member of the Naval Air Corps and is in training at Northwestern University at Evanston.

Captain David N. Deering was

home over the week-end. He has been stationed at Carlisle, Pa., for the past six weeks. Captain Deering reported at Camp Grant, Rockford, Ill., Friday afternoon, where he will be stationed for an indefinite period.

Last Friday night the "A" Club and Pep Club sponsored a farewell party for Mr. Wolfenbarger who is leaving for the navy. Music was supplied by the Swing Band and Jack Fields was the master of ceremonies for a floor show that was given. Coca colas were served as refreshments. Ensign Wolfenbarger was given a beautiful suitcase by the faculty and students. There was much evidence that Coach and his ability will be missed. In his two years at Antioch, the high school has had three championship teams. Ensign Wolfenbarger left Tuesday, March 18, for his first assignment.

Thursday afternoon at 3:40 the Home Economics Class II will give a tea for their mothers. The girls are permitted to invite one other guest.

With all this sub-zero weather we've been experiencing, I'm sure you'll be gratified to know that someone has felt the coming of Spring. And it's not just one person, either, it's the whole Music Department of A.T.H.S., which includes the Chorus, Band, and Dance Band, all under the expert direction of Band Master and Chorus Con-

ductor, Hans von Holwede.

By this time, you are probably wondering what this cold weather we have been forced to take with a grain of cinder has to do with these folks of the Music Department. Well, it seems the plans are being made for a spring concert. It's dated for April second. By coming to this concert, you will be witnessing one of the most outstanding performances ever to be presented in this school.

The opening entertainment of the evening is to be afforded by the Chorus. This group will render songs such as "To a Wild Rose," "Land Sitting," "Through the Years," and other semi-classical themes.

Next, the Dance Band takes over and provides that night club air, which has proved so popular to those who have heard them, with its romantic tunes, outstanding of which is "Where the Lights Go on Again All Over the World."

Last, we have the Band as it strikes the military note with the marches of Sousa and Philmore. For the first time in the history of the school, we can boast of a band of more than 40 pieces—48 to be exact. A part of Beethoven's Symphony will be one of the band's highlights.

Completing the concert, there will be the usual dance with the accompaniment of the Dance Band. When Old Mother Nature hears of our festivities, I'll bet she'll hurry her season along just to keep up our good cheer.

Antioch News Done

New Type "Face"
If you decide that there's "something different" about your Antioch News this week, you're apt to be right.

The News is putting on a new "Face" and is being printed with a new set of type, in the "Corona" design. Besides being larger than the old type face, the new type is broader, slightly more "square" in appearance, and is expected to be considerably easier to read.

New headline type was inaugurated by the News two years ago, and the new type for the body of the pages is in harmony with its design.

March 23, 1933—25 Years Ago
The Girls' Basketball Tournament, which was held on last Wednesday, Thursday and Friday evenings, was won by the Junior girls.

Shawls intended for the exhibit to be given at the Methodist Church

Tuesday night may be left with Mrs. Clara Westlake, president of the Ladies' Aid, at any time up until Tuesday afternoon. Shawls which have a family history, shawls which come from foreign lands, and shawls of the present time are desired for the exhibit.

Members of the Ping Pong Club met last Friday at the high school where they spent several hours playing and practicing the game. Tables have now been set up in the gymnasium. The club will meet again tomorrow (Friday) night. Interested outsiders are invited to attend.

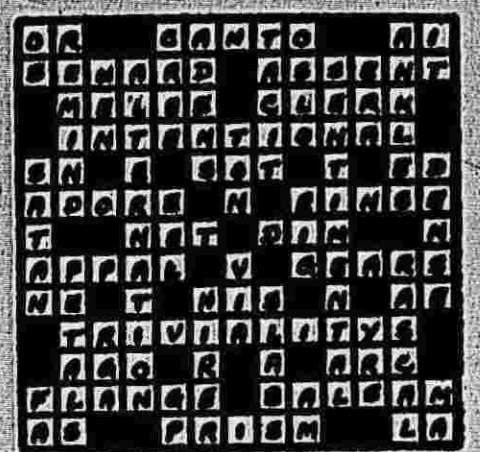

Hanford Shepard, of Woodstock, was a guest in the H. B. Gaston home Monday.

See shawls of all periods exhibited at the M. E. Church Tuesday, March 28. Beef roast supper, 30c.

Mr. and Mrs. Nason Sibley were

entertained at the G. A. Whitmore home Sunday.

March 22, 1923—35 Years Ago!
Winifred, the little four year old daughter of Mr. and Mrs. Frank King, who is ill with scarlet fever, is quite sick and a trained nurse came from Chicago Tuesday to help care for her. Latest reports are that she is a little better.

Mr. and Mrs. Carl Bruckner of Waukegan were visitors at the home of Mrs. Tina Gerber and Arlene Gedman, Tuesday.

The following Royal Neighbors officers and guests gathered at the home of Mrs. Georgia Avery Wednesday for a dessert luncheon and a business meeting, after which cards were enjoyed by all. From Lake Villa were Gertrude Malecka, Helen Fish, Bertha Fish, Matilda Bartlett, Edna Botts, Lela Barnstable, Helen Reimer, Ruth Nero, La Vina Mitchell; from Grass Lake, Mary Davis, Irene Brown, Elizabeth Anzinger, Lillian Freier, Louise Ten Bruin; from Antioch, Erna Toft, Gladys Schroeder, Gerri Polson and Velma Langosch. Hostesses were Marie Hamlin and Georgia Avery.

Arney Armstrong, Jr., is absent from school because of illness. Jerry Awe is confined to his home because of illness.

Bernard Schneider was ill at his home over the week end.

Linda Ladewig, Norma Blumen-schein and Patricia Dibble participated in the St. Patrick's day parade in Chicago Saturday with the Shea Baton school of Waukegan. They are majorettes with the Lake Villa Grade School band.

Mr. and Mrs. Clarence Blumen-schein were dinner guests at the home of Mr. and Mrs. Roscoe Baker of Rockford Saturday.

Mr. and Mrs. Everett Bickey of Kenosha were visitors at the Clarence Blumen-schein home Sunday.

Phyllis Werner of Gurnee and Shirley Oilschlager spent the week end at Medford, Wis.

Mrs. George Richardson of Mel-rose Park, Mr. and Mrs. Virgil Bur-nette and Sheridan Burnette of Antioch were visitors Sunday at the home of Mr. and Mrs. Jacob Fish.

Winsor Dalgard, Jr., entertained his classmates and cousins Sunday in honor of his 12th birthday. After a roller skating party at Twin Lakes, they returned to the Dal-gard residence for supper, dancing and games.

The Sisters at the Prince of Peace Parish will sponsor a supper for Mr. and Mrs. Pleviak, the basketball team and the cheerleaders Monday. Games will be enjoyed by the children after supper. Guests at dinner also will be Mr. and Mrs. Rich-ard Lynn and Father Lynch.

Mrs. Clarence Blumen-schein and Mrs. Fred Bartlett attended the continental breakfast at the Sher-man hotel in the Louis XVI room Friday given by the Salvation Army for the Doughnut Day chairmen. Mrs. Bartlett received a certificate of appreciation for ten years of vol-unteer service as Doughnut Day chairman of Lake Villa. Her co-chairmen Cecile Blumen-schein and Helen Fish have helped to make Doughnut Day in Lake Villa a suc-cess, having worked for ten years with Mrs. Bartlett. Mrs. Bartlett has again been named chairman for Lake Villa. Mrs. Fish and Mrs. Blumen-schein will again assist her. Also anyone else who would like to help can contact Mrs. Bartlett at her home or call El. 6-4454.

Mr. and Mrs. Joseph Botts and son, Danny were visitors at Rock-ford Sunday.

Lake Villa Cub Scouts of Den 2 with their den mother Mrs. Johnson and Mrs. Joseph Botts enjoyed a tour of the Telephone Co. in Wau-kegan Tuesday afternoon.
